

Unity at Saracens

In the halls of Saracens High,
Where futures begin,
We tie up our favourite colours
And find strength within.
Six houses and four values to explore,
With standard-setting giants
Who walked here before.

Discipline keeps our classes bright,
An orderly and joyful light.
With **Hard Work** next, we push and strive,
To keep our highest dreams alive.
In **Honesty** we find our voice,
To speak the TRUTH and make the choice.
And with **Humility** we see,
True strength is built in modesty.

We celebrate Black History Month, which is great!
We come to school early and not late.
We live the values and expectations on that day,
We're all excited – we shout 'Hooray!'
