

# Art & Design

Each box sets out an art challenge for you to complete between now and when you start at Saracens High School. For every task you can draw, paint, take photos, use collage, computer art or any other creative ideas you come up with. Most importantly be original and think outside the box.

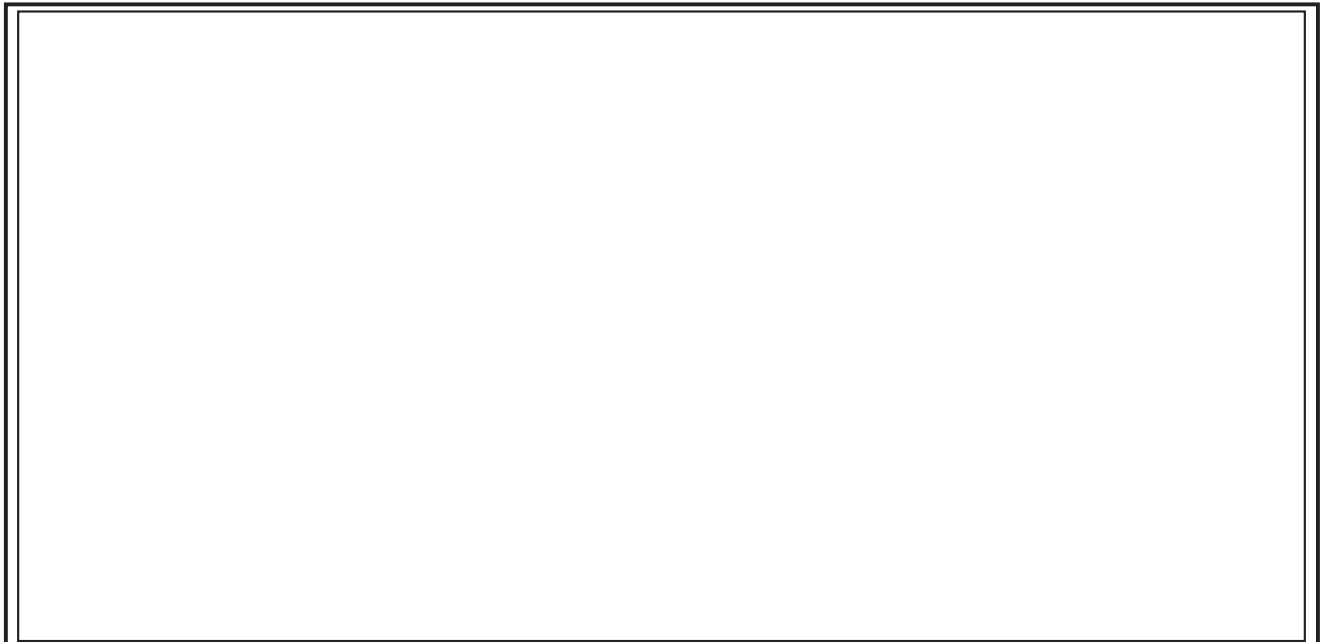

## Challenge 1:

Create a pattern that is inspired by nature

## Challenge 2:

Create a pattern that links to any country

## Challenge 3:

Create a drawing of your choice
