

# Music challenge

Studying music is all about listening, composing and playing music of different styles and from different cultures. What kind of music do you like to listen to and why?

Every time you hear a piece of music or a song that you like over the summer list in in the table below. Continue your table on an extra sheet or paper if you need to.

Title of music/song	Artist/Group	Where did you hear it?	Why do you like it?

List as many instruments as you can in the box below that play in a traditional orchestra. If you can play an instrument, highlight which one/s and write down next to them to what level you are.

## About This Activity

CodeBreaker! is a note naming activity that is perfect for the music classroom or beginning instrumental/choral student. The challenge of this activity is to correctly name each note and then write its alphabet letter name on the blank below. The code is broken when the alphabet letters reveal the secret word.

Treble Clef
