Saracens High School is committed to ensuring that the pupils in our care develop into happy, confident, successful young people with a thirst for knowledge and a love of learning.

We believe that these aims are effectively underpinned by our school values:

- **Discipline**
- **Hard work**
- **Honesty**
- **Humility**

We can achieve these outcomes for our pupils by working in strong partnership with families.

The Home School Agreement sets out a clear and transparent framework for our school community and its families to work together to support the young people in our care, so that we can ensure that all pupils succeed.
