Results and Post-Results

As a contingency to enable the prompt handling of urgent issues only, the centre responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. The head of centre will ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself (GR 5.3)

Responsibility for ensuring compliance will be escalated to Dr Matthew Stevens - Head of Centre
Ms Sonia Green - Vice Principal. Main areas of compliance relate to:
