Examination Contingency Plan.....	2
Purpose of the plan	4
Possible causes of disruption to the exam process.....	4

Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the exam process. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process at Saracens High School.

Alongside internal processes this plan is informed by the Ofqual Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication, 'What schools and colleges and other centres should do if exams or other assessments are seriously disrupted', the JCQ Joint Contingency Plan for the Examination System in England, Wales and Northern Ireland and the JCQ document Preparing for disruption to examinations (Effective from 1 September 2023).

This plan details how Saracens High School complies with the JCQ's General Regulations for Approved Centres (section 5.3, Centre management) by having in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENDCO is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency. The potential impact of a cyber-attack should also be considered.

National Centre Number Register and other information requirements

The head of centre will also ensure that as a contingency to enable the prompt handling of urgent issues only, responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. Heads of centre should ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself. (GR 5.3)

Head of centre absence at a critical stage of the exam cycle

Where the head of centre may be absent at a critical stage of the examination cycle, main duties and responsibilities will be escalated in accordance with the centre's written escalation process.
